

Badge Pick Up & Crew Badges

As a Fintech Meetup sponsor, you may have purchased “Sponsor Tickets” with your agreement, or a booth package that includes a certain number of Sponsor Tickets.

Sponsor Tickets include access to:

- Our Meetup networking platform (subject to meetup registration deadline which is January 15th)
- All days of Fintech Meetup and the Exhibit Halls
- Breakfast and lunch as stated on the agenda
- Fintech Meetup content sessions and networking events (excluding sessions and networking events that are private/invitation only, or specific to certain groups of attendees).

Sponsor Tickets are intended only for individuals employed by your organization at the time of Fintech Meetup 2027, including any support personnel such as booth staff, public relations support staff and executive assistants employed by your organization. Everyone who is planning to attend Fintech Meetup and will be onsite during the event dates must be registered on a ticket and wear a Fintech Meetup event badge at all times.

Not all sponsorship agreements include Sponsor Tickets. Please refer to your sponsorship contract for the number of allotted tickets.

The below instructions apply to any Sponsor Tickets purchased via contract agreement with your Fintech Meetup sales representative.

How To Register

After you have completed and signed the contract associated with the ticket(s), you will be provided with a sponsor/exhibitor record in Visit Connect. The main contact on record will have access.

All tickets purchased through your sales representative can be registered within Visit Connect. The main contact can register all staff or invite staff members to register themselves.

You will not be able to use the same email address more than once.

Once all tickets allotted to your sponsor/exhibitor record have been registered, you will be unable to register any more staff without purchasing additional tickets.

Additional tickets may be purchased and immediately registered at the prevailing rate.

Reach out to your sales representative.

If paying for additional tickets via invoice through your Fintech Meetup sales representative, please allow up to 2 business days for your record to be updated with the new ticket allotment.

Badge Pick-up

All registered Fintech Meetup 2027 attendees must pick up their badge prior to entering our event spaces. Specific instructions will be sent to registered attendees closer to the dates of the event. As a good rule of thumb, we recommend keeping your registration confirmation email and photo ID on hand as you arrive.

Treat your badge like cash:

You must have your physical badge on your person to use it.

Once it's lost, it's gone - we don't reprint badges!
