

What is the Meetings Program?

The Meetings Program is your chance to have up to 30 prescheduled, one-to-one meetings, spread across 3 days at Fintech Meetup. All meetings scheduled will be with people you requested, who also indicated they want to meet you! Please read below for step-by-step instructions

Key Dates

In order to schedule thousands of meetings onsite Meetup follows strict deadlines. Make sure you and your team complete the actions before each stage before deadline. If you have questions, please reach out to your logistics lead sooner rather than later.

- **Meetup Registration Deadline:** February 9th
- **Profile Stage:** Tuesday, Jan 19th - Friday, Jan 29th
- **Request Stage:** Monday, Feb 1st - Wednesday, Feb 10th
- **Opt-in Stage:** Thursday, Feb 11th - Tuesday, Feb 16th
- **Schedule Release Date:** Wednesday, Feb 17th

Manage Your Team

Nominate one member of your team to be the organization admin. As the admin this person will be able to see everyone's progress in each stage and help align individuals in each stage so your company can make the most out of meetup. The org admin does not need to physically attend Fintech Meetup and if the org admin leaves your company please contact your logistics lead. Select members of your team to be meeting reps. Meeting reps take your organization's hosted meetings at Fintech Meetup.

Hosted Meetings

The Meetings Program has two branches: General Meetings and Hosted Meetings. Hosted Meetings are an additional fee but ensure you will be meeting with a Hosted Attendee. A Hosted Attendee, also known as a "buyer", is recruited, interviewed and vetted by the Fintech Meetup team. These attendees are director title or above, or they have direct purchasing power regarding tech in their companies. Hosted Attendees in the meetings program include banks, credit unions, investors, or retailers/merchants. Hosted Meetings will always be prioritized by the algorithm. If you are interested in purchasing hosted meetings to guarantee a connection with our participating banks, CU's, etc., please reach out to your sales lead or fill out this [interest form](#) and our team will reach out to you.

Table Talks

Table Talks is a unique opportunity to speak with multiple attendees about a specific topic. You can select the topics you are interested in, and the system will pair you with a group of Fintech Meetup Participants that are interested in the same topic. Table Topics follows the same process as meetup, and then you will be notified if you have a table talk session when the meetup schedule is released.

Stay in the Know

Please check your email, we share deadlines and important updates via these experience@fintechmeetup.com and logistics@fintechmeetup.com. Do not forget to check your spam folder!
