

FINTECH**Meetup** | VENETIAN, LAS VEGAS
● A Hyve Event | February 22 - 24, 2027

The **most valuable** event in Fintech

Exclusive Hosted Program opportunities
for qualifying Banks & Credit Unions and
Retailers & Merchants

Why **Fintech Meetup**

Where the fintech ecosystem comes together.

Fintech Meetup brings together the people transforming financial services and creates the environment for them to meet, meaningfully.

Over three days in Las Vegas, leaders from financial institutions, merchants, fintechs, technology providers, investors and the wider ecosystem come together to:

- Discover new technology
- Solve business challenges
- Learn what's changing
- Meet future partners
- Build relationships that move business forward

Built on Trust

As AI transforms financial services and fraud, identity, compliance, digital assets and new technologies continue to evolve, trust is becoming one of the industry's most valuable currencies.

Fintech Meetup 2027 brings together the leaders navigating that change.

Meetings

The biggest differentiator of Fintech Meetup is the meetings program, which is the best in the industry. The double opt-in means there's no wasted time; you're only meeting with people who you want to meet with."

Peter Renton, CEO

Experience the **power** of the meetings program

Don't leave your most important connections to chance.

Meetup is what makes Fintech Meetup different. Instead of hoping you'll meet the right people somewhere on the show floor, our Meetings Program helps turn your priorities into a curated schedule of relevant conversations.

How Meetup works:

1. Tell us who you want to meet

Explore participating companies and indicate who interests you.

2. They choose too

Participants review their requests and select the conversations most relevant to them.

3. We match you

When both sides opt in, we schedule your one-to-one meeting.

The Result?

Relevant people. Mutual interest. Dedicated time to talk.
